By train

We're a short journey by bus or taxi from York railway station and York City Centre, making it the ideal way to travel.

By bus

The First 66 bus runs from York railway station to the University of York (via York city centre) every 8 minutes during term time and takes between 20-30 minutes depending on traffic.

Get off at the JB Morrell Library stop – we're located just behind this. Find out more here: www.firstgroup.com/york/routes-and-maps/your-bus-66-and-university-services/your-bus-66

By taxi

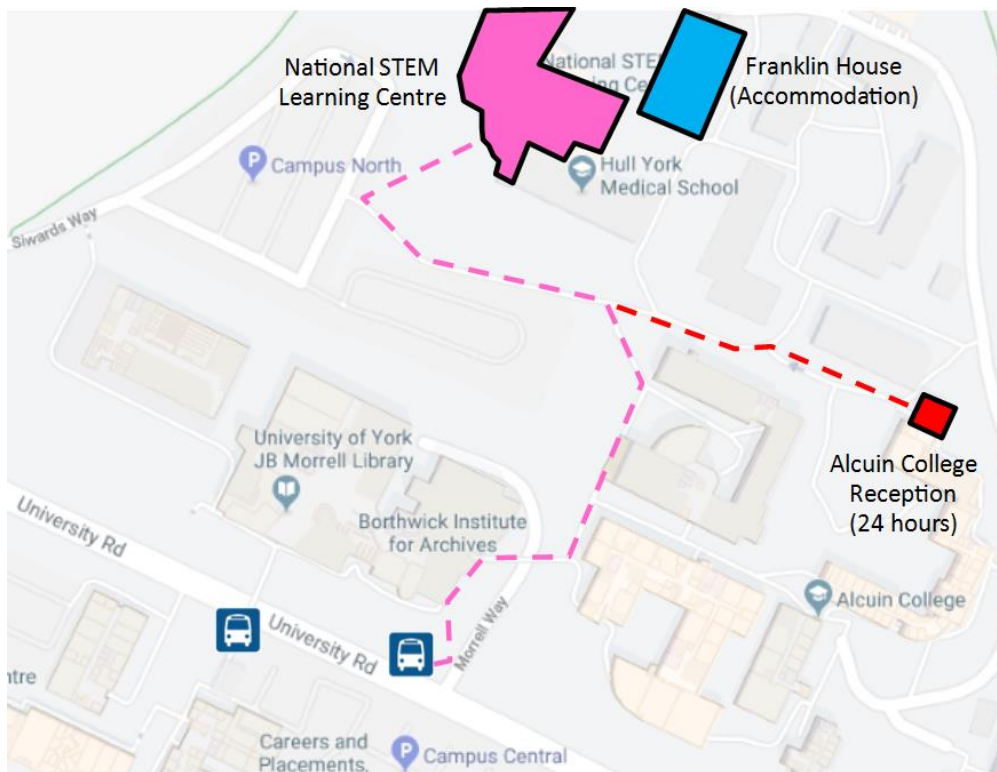

A taxi rank is located on your way out of the station. Ask for the National STEM Learning Centre, Hull York Medical School or Campus North car park.

By car

Parking at the University Campus is extremely limited. We strongly recommend the use of public transport where possible as you are not guaranteed a parking space when you arrive.

The nearest pay and display car park is the North Car Park – located in front of the NSLC. Parking is £1.30 per hour or £8 per day and is free at weekends and between 18:00 and 8:00. You can use the parking machines (change machine in the NSLC) or pay by phone.

If you're using a SatNav enter the street name Siwards Way as our postcode YO10 5DD is for the whole campus. You can also follow signs for the North Car Park.

From the JB Morrell Bus Stop

- Turn right when you get off the bus and go up the steps on your left
- Turn right and cross the bridge
- Turn left and continue straight up the steps
- From the top of the steps follow the path left along the car park
- For NSLC: Turn left the right (across the bridge)
- For Alcuin Reception: Turn left and continue straight

For accessible route – a lift can be accessed on the opposite side of the road, under the bridge. Go towards the library and turn left and follow the path around to the Campus North car park.

The return bus is on the opposite side of the road, under the bridge. 66 goes to York station via the city centre. 66a goes to the city centre (not the station)
