Jean Monet Network Project *Citizenship Education in the Context of European Values (CitEdEv)*

- Grant proposal successful and awarded in August 2020 but Covid-19 pandemic has seen a project extension from Council of Europe granted. Aims of project are:
 - Foster youth participation in democratic life and active civil society
 - Engage policy makers at inter- and trans-national levels
 - Strengthen meaningful research, cooperation, and networking
- 28 universities across 19 European countries (led by Charles University)

Activities so far:

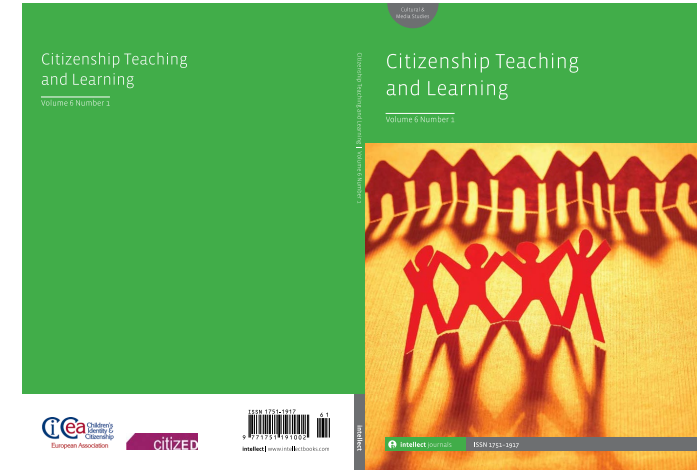

- February 2021 – First online meeting (working groups established)
- October 2021 – First online conference (details to be announced soon)
- Spring 2022 – First face-to-face conference in conjunction with CiCea annual conference (Prague)

BEST PUBLICATION AWARDS

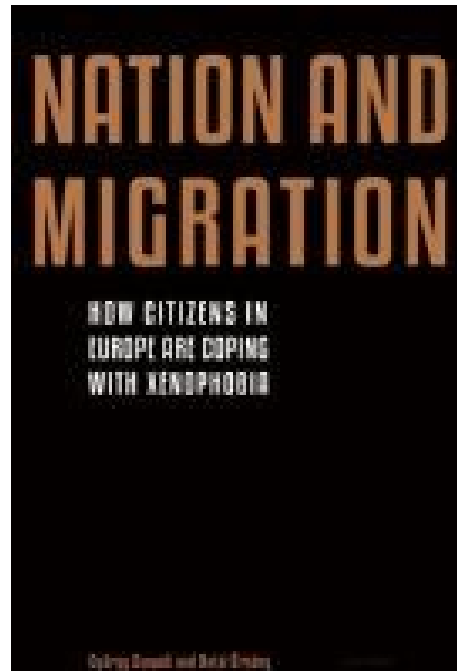

1. Best Book Award

György Csepeli & Antal Örkény

Nation and Migration

How Citizens in Europe are Coping with Xenophobia

(Central European University Press)

- The book addresses the **inseparable relationship** between nation and migration and discusses such issues as the social integration of migrants or the **dilemma** between **moral cosmopolitanism and national self-centeredness**
- Experiences relating to migration of **23 European countries** are analyzed based on data from the **International Social Survey Programme**.
- The authors state: the divergent approaches of Eastern and Western Europe to the challenges of nation and migration is one of the **European Union's greatest challenges** in the twenty-first century.

BEST PUBLICATION AWARDS

2 -3. Best Research Paper Award

Wong, K. L., Lee, J. C-K., & Kennedy, K.J. (2020). School leadership for civic learning: The case of socio-political turbulence in Hong Kong. *Educational Management Administration & Leadership*. *This study employed qualitative methods to examine how school principals in Hong Kong negotiate the political context surrounding citizenship education and how these practices influence the civic learning in schools. meet the multiple demands of a complicated and turbulent socio-political environment.*

Nosek-Kozłowska, K. (2021). The image of **transnational families** in the prism of the experiences of children growing up in them. *Scientific Quarterly Fides et Ratio* , 45(1), 125-136. *The paper discusses an under-researched, however more and more prevalent phenomenon in Europe i.e. children growing up in the so called „transnational families” (one or both parents work abroad) How to maintain family life and parent-child relationship among these circumstances – from the children’s perspective.*

BEST PUBLICATION AWARDS

4. Best Praxis Paper Award

Sim, D., Boyle, E., Leith, M. S., Williams, A., Jimoyiannis, A., & Tsiotakis, P. (2020). Learning about Europe through educational gaming. *Journal of Geography in Higher Education*, 1-7.

Players are journalists, they are directed to a map of Europe showing the five partner countries and each country is linked to one of five scenarios and five related assignments. These are:

- Brexit (UK);
- Freedom of movement and the rights of EU citizens to work across Europe (Netherlands);
- Immigration, including their rights, particularly rights of asylum (Greece);
- An exploration of who is European – the differing attitudes towards Europe +in different nations (Germany);
- Changes in identification with the EU over time (Croatia).
